

Form: Participation in communication-campaign for TGNS crowdfunding

TGNS (Transgender Network Switzerland) is currently planning a crowdfunding campaign (launch: November 5, 2021), which will be about the legal recognition of nonbinary people in Switzerland. For this we are looking for people who are willing to give a testimonial of support via video, photo or without a picture. **You can participate if you are nonbinary yourself, or if you are an ally. It will be possible to appear anonymously.** The video or photo will have to be taken with your own smartphone or camera (more information after registration).

There are several options of how to participate (you can choose several):

I want to appear in the official crowdfunding-video (text will be supplied by us) – *for nonbinary people only.*

I want to appear in a short video for social media (with my own text)

I want to appear in a photograph for social media (with my own text)

I want to send in my own testimonial without a picture
